Ethnic background

Ethnic background describes how we think of ourselves based on skin colour, language, culture, family history etc. Ethnic background is not the same at nationality or country of birth. The information commissioner recommends that young people aged 11 and over have the opportunity to decide their own ethnic identity. Parents are asked to advise on and support these decisions. Young people over 16 can make the decision for themselves.

Please look at the list below and tick one box to indicate ethnic background of the applicant named above.

Disability or special education needs

Chetham's welcomes applications from candidates with disabilities and special needs for assessment / audition.

Please be aware that the School is partly housed in old, listed buildings which do not lend themselves to wheelchair access.

It is recognised that some candidates may need special arrangements for the audition stages, e.g. additional time allowance during auditions, to enable them to perform to the best of their abilities. The School will endeavour to make appropriate arrangements.

All candidates will be assessed against the same criteria.

Please complete as appropriate:

My son / daughter has the following disability / special educational needs:

He / she receives support at present in the following way:

Please do not hesitate to contact the Compensatory Education Department at the School if you require any further information, guidance or advice.

Religion information

Please indicate any particular religious affiliations. This may help us when making worship arrangements.
